BUSINESS DETAILS

ABOUT US

The Freedom Computers Limited was established in 2014 and we have been in the business for more than eight years. Our head office is in Dar es salaam – Tanzania and have a branch office in Dodoma. We are planning to open a branch in Zanzibar.

Freedom Computers is a Tanzania company that sells all types of electronics such as Laptops, Desktops, Photocopies, Printers, Scanners, Office stationery, UPS's, Computer accessories, etc. We also do leasing of computers, projectors, printers, copiers and do the installation of CCTV cameras, and conference room AV systems.

We are planning to open a Branch in Peninsula/Masaki to better our services for corporate and non-governmental Organizations.

LEGAL COMPLIANCE

We comply with all the laws and regulations of the company, TRA, and the laws and regulations of the United Republic of Tanzania. Please find copies of the Certificate of Incorporation, TIN certificate, VAT certificate, business license, NSSF registration, Worker's Compensation, and Tax Clearance Certificate. Please see.

EXPERIENCE IN THE MARKET

We have about eight years of experience in the market. We have customers ranging from Insurance companies to banks, government, corporates, and NGO's. Last fiscal year, we had a turnover of Tshs 2.8 Billion. Please see the attached financial statement and current client list.

ANTI-BRIBERY POLICY

We, FREEDOM COMPUTERS LIMITED place importance on competitive tendering taking place on a basis that is free, fair, competitive, and not open to abuse. It is pleased to confirm that it will not offer or facilitate, directly or indirectly, any improper inducement or reward to any public officer their relations, or business associates, in connection with its tender, or the subsequent performance of the contract if it is successful.

We have an Anti-Bribery Policy/Code of Conduct and a Compliance Program which includes all reasonable steps necessary to assure that the No-bribery commitment given in this statement will be complied with by our management and employees, as well as by all third parties working with us on the public sector projects or contract including agents, consultants, consortium partners, sub-contractors and suppliers.

LITIGATION HISTORY

There is neither a pending or unsettled lawsuit nor legal claims nor settled ones that have ever been brought against our firm or its staff in Tanzania, for technical or operational deficiencies in the provision of service.

ABILITY TO MEET FUTURE AND CURRENT DEMANDS

We are a dynamic company with a diverse clientele and work with major suppliers in the country and overseas. We have a good rapport with our vendors, can provide IT equipment easily, and support our customers regarding warranty issues. We are a financially stable company that is on a trajectory. Please refer to the attached copies of our financial statements.
